

Dear BNR Chapter Leaders,

The BNR Membership Services Team is excited to inform you about a new feature on the Membership Portal. As a Chapter Leader, you now have access to the Black Nurses Rock membership directory. At this time, only BNR chapter presidents have access to this feature. Please send an email to Membership Services with an updated list of chapter officers who will require access to this feature.

Below you will find the instructions on how to navigate the membership directory. Should you have any questions, please contact the BNR membership services department by telephone at 844-267-7665 or email at <u>britany.kinsey@internationalamc.com.</u>

Log in to <u>https://www.membership.blacknursesrock.com</u> using your BNR username and password. Once logged in, select the "Directory" option.

Once logged in, select the "Directory" option.
